

Dear Pink Aid Supporter:

We are thrilled to celebrate 15 Years of Compassion at this year's annual Gala and Fashion Show to be held on Thursday, October 16th at Mitchells in Westport. We hope you will help us celebrate this milestone event by becoming a [corporate partner](#).

Pink Aid's mission is to provide compassionate support, critical resources and emergency financial assistance to underserved breast cancer patients and their families. Since Pink Aid's inception 15 years ago, more than \$13.2 million has been invested in our mission reaching more than 60,000 individuals through our Pink Purse financial assistance program and our local grants programs.

We couldn't have done this without the thousands of supporters who have helped us get to where we are today!

Our 15 year anniversary event will highlight our incredible success from humble beginnings and will look towards the next 15 years of expanding our efforts into all 50 states, and increasing the numbers of patients we serve through our Pink Purse emergency financial assistance program.

This year is incredibly special for all of us, and we hope you will consider supporting our Annual Event in honor of a breast cancer Warrior you know.

You can find our [2025 event sponsorship opportunities](#) on our [website](#), and please don't hesitate to reach out to our Executive Director, Michele Przyppszny for more details. She can be reached at michelep@pinkaid.org or at 917 742 5977.

We could never have imagined 15 years ago what Pink Aid would be today, and we are SO grateful for your helping us get there! We can't wait to celebrate with you on the 16th of October!

With compassion until there's a cure.
