

Pink Aid is the only non-profit focused on providing compassionate support and emergency financial aid to breast cancer patients experiencing financial toxicity. We are dedicated to supporting underserved breast cancer patients and their families to get through treatment with compassion, dignity, and their household intact, while also serving to empower survivors of every socioeconomic level to heal by helping and inspiring others.

This year, Pink Aid is celebrating 15 Years of Compassion at our annual Gala and Fashion Show on October 16th at Mitchells in Westport. And, over the last 15 years, Pink Aid has distributed more than \$14 million dollars in financial aid and touched more than 60,000 individuals. Locally we have granted over \$7 million to CT residents and continue to support local organizations with close to \$500,000 in grant funding each year.

We hope you will consider being an auction donor for our Anniversary event. Our auction is critical to our fundraising success in order to help patients in need in CT and across the country. Our *Auction donation deadline is September 19, 2024*. Please click the [Donation Form](#) to donate to our Auction.

A donation from your organization helps Pink Aid continue its mission of compassionately supporting breast cancer patients in need. Thank you in advance for supporting Pink Aid's 2025 Auction!

With Compassion Until there's a Cure,

Raquel Kobak & Linda Sharkey, Gala Co-Chairs  
Navida Greifenberger and Maria Smith, Event Auction Co-Chairs
